## Cautions when using the Repair and Delivery Service

- ★1: Applicable to smartphones released on or after September 2, 2021. The device can be delivered to you within 3 hours after you apply for the 23 Tokyo wards/Osaka City. Please apply between 9:00 am and 5:00 pm. The fee will be 3,000 yen (3,300 yen including tax) per application.
- ★2: Delivery may be delayed in cases of bad weather or congested public transport.  
The desk may operate for shorter hours or close if traffic congestion is expected, including during the Bon period and the end/beginning of the year.
- ★3: Same-day delivery for Kanto, Kansai, and Chubu (Aichi, Mie, Gifu and Shizuoka; excluding some areas) if you apply before noon, and for some parts of Kyushu (excluding some areas) if you apply by 11:00 am.  
In principle, next-day delivery will apply to other areas / time zones (excludes some regions and remote islands).
- ★4: You can pick up your phone at a convenience store or from a courier delivery locker only if you apply online. For details, please visit the UQ mobile website.
- ★5: Applicable to smartphones released on or after September 2, 2021.  
The device will arrive with an our company-specified LCD-protection film affixed to the screen. Our company shall not be liable for scratches on the surface and peeled or misaligned device edges caused by use of the product. The film cover is not applicable to certain models due to the nature of those models.
- ★6: The warranty will not cover situations caused by your willful misconduct or negligence, nor damage caused by disasters (earthquakes, volcanic eruptions, tsunamis, floods).

※If you purchase a new mobile phone, such as when upgrading to a new device or getting a new one, you will automatically be unsubscribed from Repair and Delivery Service you were using with your previous mobile phone.
