**[Home Set Discount]★1:** Subscription to Internet service, etc. at the target home is required. Subscription example) For au HIKARI Home Zutto Giga-Toku Plan (contract term: three years), a basic fee of 5,610 yen/month plus an option fee of 550 yen/month separately apply. A contract cancellation fee of 4,730 yen may apply upon cancellation of the Internet service, depending on the length of your contract. ●Application required ●<Requirements: Subscription to ① and ②> ① UQ mobile Toku-Toku Plan or Mini-Mini Plan ② "Home Internet service ★1 (Internet + phone)" or "au electricity" ※You can sign up if the person(s) who signed up for ① and ② has the same surname and the same postal address. ※A total of 10 UQ mobile/au lines per eligible service contract. <au electricity> Application required. <Requirement> ●You or your household member subscribes to au/UQ mobile. ○Subscribe to an electricity contract at the address where au electricity will be used. ※Excludes some remote islands. If you live in a residential complex with a collective building-wide electricity service, or in an all-electricity home, you cannot subscribe to seasonal plans etc. **[au PAY Card Payment Discount]** <Requirement> The registered payment method must be an au PAY Card at the end of the month. ※If you use lump-sum or KDDI consolidated billing, the billing group's payment method is used to determine the payment method. **[Toku-Toku Plan/Komi-Komi Plan/Mini-Mini Plan]** ※The data allowance is consumed in the following order: carried over data, the monthly data allowance (including the additional data allowance) and data purchased separately. The maximum carryover is limited to the remaining basic data allowance from the previous month, which is available until the end of the current month. If you switch among 5G fee plans from UQ mobile in the middle of a month, the larger of the old and new allowances applies for that month. ※If you cancel a plan in the middle of a month, the basic usage fee will apply in full. ※If you signed up for a 4G LTE fee plan from UQ mobile and switch to this plan, the data allowances from the 4G LTE fee plan (carryover/monthly data allowance/data allowance purchased separately) will not be carried over. However, you will be granted the monthly data allowance of this plan even if you switch to it in the middle of a month. ※Signing up for this plan may terminate various discounts that are currently being applied. ※Saving mode cannot be used with the Toku-Toku Plan or the Komi-Komi Plan. **[Common points of note]** ※It may not be possible to use these promotions together with our other promotions. ※Fees separately apply such as for usage, universal service, and call relay service. ※The information on this flyer is current as of April 2024.
