〈Application period〉 Thursday, December 1, 2022 – TBD (The closing date will be announced in advance.) 〈Special Offer〉 Additional Data Option II can be used free of charge for 7 months starting from the first month of subscription. 〈Requirement〉 Customers who are signing up for Additional Data Option II for the first time. ※The free promotion for Additional Data Option II (the “Promotion”) will automatically apply to those who meet the requirement. ※If you cancel Additional Data Option II, the Promotion will be effective through the month of cancellation. ※Once this promotion ends, the option fee will automatically be charged. No option fee will be charged if you request cancellation of the option by the end of the final month of the Promotion.

〈Eligible fee plans〉 Komi-Komi Plan+, Toku-Toku Plan, Mini-Mini Plan

※The additional data allowance will automatically be granted on the first day of subscription or the first day of the month. ※The unused portion of the additional data granted under this option will be carried over to the following month. ※If you cancel this option (including cases of cancellation of UQ mobile), the option fee will apply through the month that you request cancellation. The option fee will be applied in full and will not be prorated. ※If you cancel this option when changing device models, the option fee will be prorated until the date of change.

【Home Set Discount】★1: Subscription to eligible home Internet service, etc. is required. Subscription example) For au HIKARI Home Zutto Giga-Toku Plan (contract term: three years), a basic fee of 5,610 yen/month plus an option fee of 550 yen/month separately apply. A contract cancellation fee of 4,730 yen may apply upon cancellation of the Internet service, depending on the length of your contract. ※Application required <Requirements: Subscription to ① and ②> ① UQ mobile Toku-Toku Plan or Mini-Mini Plan ② “Eligible Home Internet service (Internet + phone)” or “au electricity” ※You can sign up if the person(s) who signed up for ① and ② has the same surname and the same postal address. ※A total of 10 UQ mobile/au lines per eligible service contract. **【au electricity】 If you live in a residential complex with a collective building-wide electricity service, or in an all-electricity home, you cannot subscribe to seasonal plans etc. 【au PAY Card Payment Discount】** <Requirement> The registered payment method must be an au PAY Card at the end of the month. ※If you use lump-sum or KDDI consolidated billing, the billing group’s payment method is used to determine the payment method. **【Komi-Komi Plan+/Toku-Toku Plan/Mini-Mini Plan】** ※The data allowance is consumed in the following order: carried over data, the monthly data allowance (including the additional data allowance) and data purchased separately. The maximum carryover is limited to the remaining basic data allowance from the previous month, which is available until the end of the current month. If you switch among 5G fee plans from UQ mobile in the middle of a month, the larger of the old and new allowances applies for that month. ※If you cancel a plan in the middle of a month, the basic usage fee will apply in full. ※After you use up your data allowance, your data communication speed for “Toku-Toku Plan” will be capped at 1Mbps and for “Mini-Mini Plan,” at 300kbps. ※If you are subscribed to “Komi-Komi Plan+” and you use up your monthly data allowance, your data speed will be capped at 1Mbps until the end of the month. Further, your monthly data usage reaches 50GB, your data speed will be capped at 128kbps until the end of the month. The up-to-128kbps data limit may be delayed or may not apply, depending on the state of our facilities or other reasons. ※If you subscribe to this plan, the discounts, special offers and options that are currently being applied may end. ※Saving mode cannot be used with the Toku-Toku Plan or the Komi-Komi Plan+. **【 Common points of note 】** ※It may not be possible to use these promotions together with our other promotions. ※Fees separately apply for usage, universal service, and call relay service, etc. The contents may change depending on the time of application.
※The information on this flyer is current as of November 12, 2024.
