	Monthly data allowance	Unlimited	
Scope of serviced areas	See the area map for serviced areas.		Extended service area compared to Standard Mode. See the area map for serviced areas.
Available service	au 5G/au 4G LTE/WiMAX 2+		

Restrictions on data communication speed

If you use large amounts of data in a short period, your data speed during congested hours may be restricted.

※The connection may slow down due to congestion in your area. ※If the network is continuously congested, communication speed may be limited to maintain a steady service until the situation improves.

*1: Data usage in Plus Area Mode will incur an option usage fee (no application required). Even if you select another mode, the month's usage fee will not be prorated. *2: While au Smart Value or UQ mobile Home Set Discount Internet Course is active, the option usage fee for Plus Area Mode does not apply. If au Smart Value or UQ mobile Home Set Discount Internet Course is canceled, a monthly fee of 1,100 yen will apply for Plus Area Mode starting from the following month. *3: For Plus Area Mode, if the total amount of data used exceeds the monthly data allowance, the incoming/outgoing communication speed until the end of the month will be limited at 128kbps (This does not apply if you are on Standard Mode. The restriction will be lifted on the first day of the following month). ※This service is provided on a best effort basis. The actual communication speed varies depending on your environment and network conditions. [Unlimited Giga Plus S Netflix Pack/Unlimited Giga Plus S] ※If you are a new customer or switching from a WiMAX 2+/WiMAX +5G (not supported for 5G SA contracts) router at the same time, the fee plan will apply from the date of subscription or change. The new plan will apply starting from the following month. If you cancel your plan in the middle of the month, the fee will be prorated. <Eligible models> Home router: Speed Wi-Fi HOME 5G L13, Mobile router: Speed Wi-Fi 5G X12 ※au Smart Value mine is not applicable. ※Fees separately apply such as for usage, universal service, and call relay service. [Netflix (Standard Plan)] ※If you switch to the Premium Plan, separate signup and usage fees (+700 yen/month) will apply. If you switch back to the Standard Plan in the middle of the month, the usage fee for the month will not be prorated, but the usage fee for the Premium Plan will apply in full. ※Please sign up on the dedicated page. ※If you are already subscribed to this contents service, please provide your Netflix account information when you sign up. If you switch to another fee plan, or if you cancel or suspend this plan, you may have to cancel the contents service separately by yourself. Please visit the UQ website. ※You may not be able to utilize other promotions offered by Netflix at the same time. ※If you are already subscribed to this contents service, the usage fees will apply in full for the month in which you sign up for the fee plan that covers this contents service.

For conditions and details, inquire with store staff or visit UQ WiMAX website.

※The information on this flyer is current as of December 2024.
